Re: Monthly Police Report for April 2012

During the month of March 2012 the La Pointe Police Department responded to the following:

- 17 Various Complaints/Incidents
 - 4 Citizen Assist Requests
 - 2 Non-Reportable Traffic Accidents
 - 4 Vehicle Title/Registrations
 - 1 False Intruder Alarm
 - 3 Civil Process Served
 - 2 Parking Violations
 - 3 Animal Calls

Our newest addition to the police department, Josh Novak, has started the field training process. He's anxious to learn about the island and my hopes are he learns enough that both he and I feel comfortable once summer hits and things get busy. The next two months are filled with training courses for all officers which always proves to be a challenge.

I recently became somewhat concerned over not having received our equipment grant of \$4,000 so I checked into it. As of this date, I was told by our Bureau of Transportation Safety (BOTS) representative that he attempted to contact the person in charge of sending the check but they are on a two week vacation. Our representative is now in the process of trying to contact someone who should know why we haven't received the check but I haven't heard anything back.

I haven't had any response regarding securing some funding/donations towards purchasing two new defibrillators for the squad cars. I have heard rumors about some folks interested in sponsoring this type of program but as of yet nothing definite has passed over my desk.

Sincerely,

Michael Anderson
Police Chief
